## Report on Extension Lecture On Data Science using Python

Date: 13.09.2023

An extension lecture on "Data Science using Python and Personality Development and Resume Building" was organized by Dr Neelam Dahiya, HoD (Computer Science Department) for BCA and MCA students. The session began at 11:00 am. The speaker for the extension lecture were Mr Saurabh Kumar who is a Data Science Associate at DUCAT and Mr Akshit who is a Marketing Incharge and Public Relation Officer at DUCAT. The lecture was also attended by Ms Venu and Ms Priyanka from Computer Science Department.

In the extension lecture, Mr Saurabh Kumar explained the need of Data Science and the applications of Descriptive Statistics techniques using Python software. The session continued with Mr Akshit explaining the students about building an effective resume for interviews. He also shared the ways in which students can enhance their personality. The session ended by suggestions given by the speaker. The main objective of the lecture was to enhance the skills of Data Analysis using Python and to make the students prepared for Industry.
